Loved	Longed For	Loathed	Learned
• The work I had felt well connected	• Less dependencies	• Cramming/rushed Planning	• Agile
• Architectural design	• More time for stories !!	• Changing Architectural decisions ~~at~~ least minute	
• Meetings but more productive overtime	• Less things to do outside of this class		
• CSS and design	• Less dependency stress	• ~~Work~~ life !!	
• Javascript and dynamic creation	• More communication/clarity	• Doing my story the evening before the meeting !	
• Collaboration and goal achievement	• 1 million dollars	• Overreliance on team	
• Burndown chart			

Milestone

T   Product refinement - Clean looking, refined

Action:
- Got things in on Monday - last minute   +Burndown
- Think ahead of time for team meeting + productive meetings
- "Let's put pin in it" + productive meetings
